Crush The Pandemic Virtual Race Series

Virtual Series Rules

All races can be run/walked on a course of your choosing. All events must be completed between March 29, 2020 and the Sunday before the next TriSports road race after all state gathering restrictions are lifted. As of 3/28/20, we have no events scheduled until 5/29/20. This is subject to change so please keep checking the TriSports race schedule.

Our goal is to be fair and to hold every participant accountable for the information that is provided us for this series. Runners/walkers can for the most part track their own times. Completion is based on the honor system. For those of you that have devices that track the date, time and distance, please email a photo or screen shot of your information to ray@trisportsevents.com. For those that do not have these devices, please contact me and we'll work with you.
